

COUNTERTOP

PROJECT ESTIMATION

ADRIATIC

WORKSHEET

You can use this worksheet to take preliminary measurements and obtain an estimated cost for your project. The price of your project will vary depending on the surface type and edge profile. Your final cost will be calculated once our staff obtains a field measure and compiles a list of final project options.

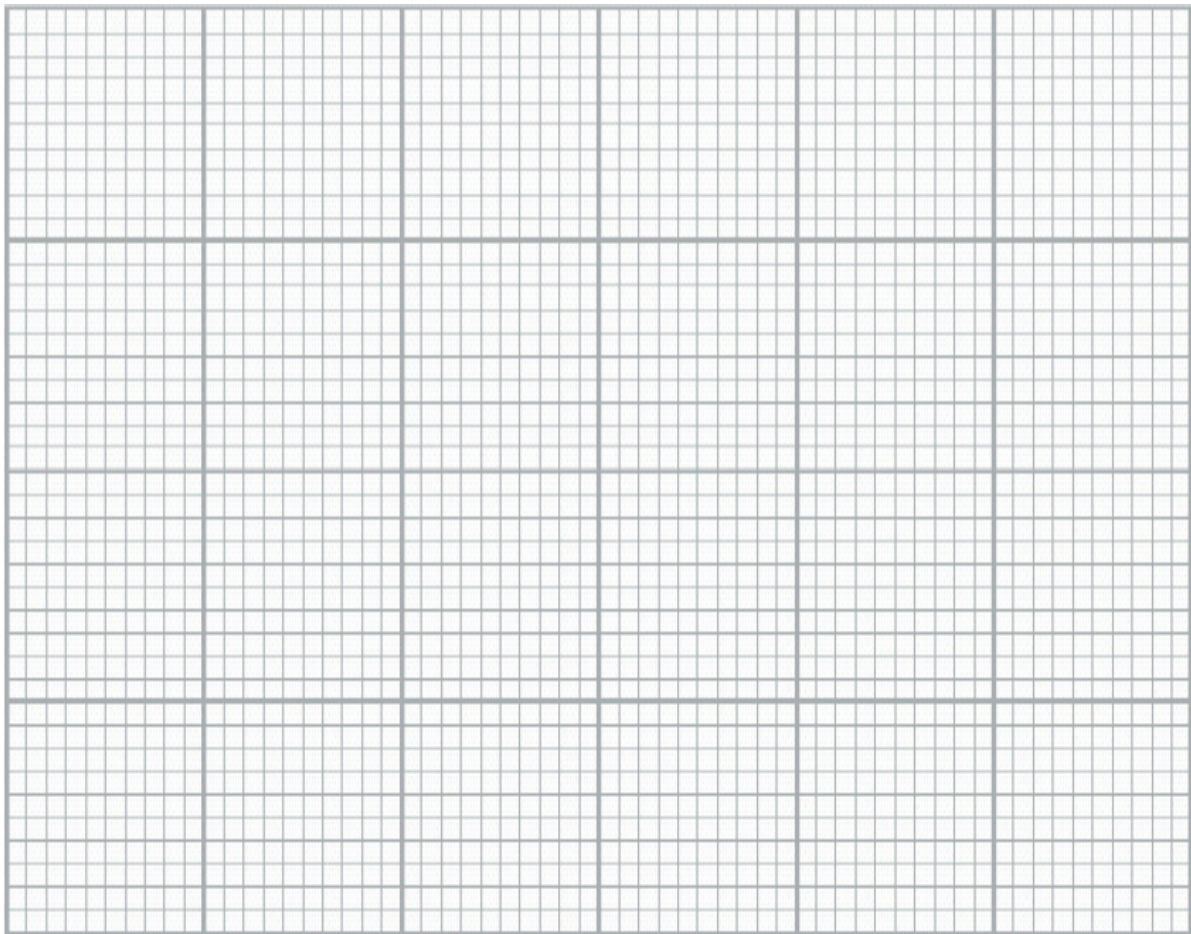

CUSTOMER

Name: _____
Address: _____
City: _____ State: _____
Phone: _____ - _____

I - SURFACE TYPE or GRANITE OF INTEREST:

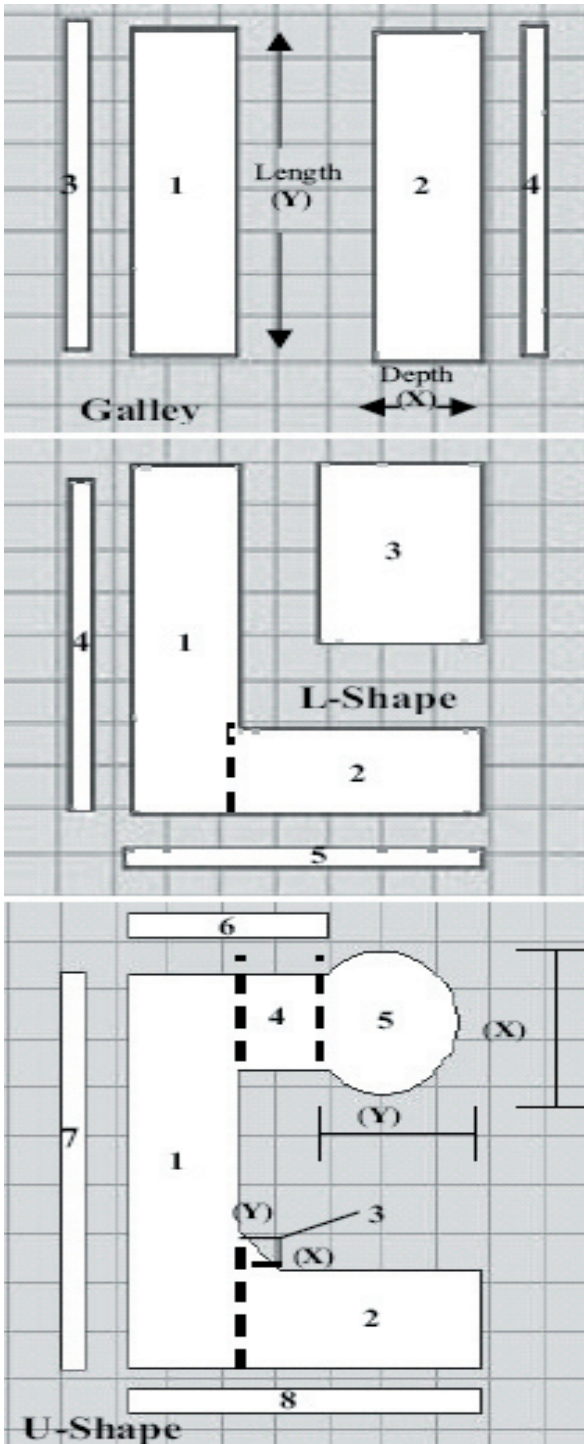

Surface Type: _____ Name of Material: _____

II - Draw a representation of your project in the grid below:

III - Fax both pages to [847.842.8010](tel:847.842.8010) for fast and easy estimate!
